

BE A MENTOR

TO A MIGRANT OR REFUGEE LOOKING FOR WORK

Do you want to make a difference in the life of another person?
Do you have a history of employment in Australia?
Do you have 1-2 spare hours during the week?

Help someone

Employment is not just about income, but about identity, belonging, and self-esteem

Bring inspiration

Sometimes people just need fresh ideas and renewed hope

Open closed doors

Migrants face multiple barriers which makes finding a job even harder

No experience needed in mentoring or employment support, just a listening ear, and willingness to share practical tips and words of encouragement.
Mentoring appointments to be held at our centre. Training can be provided.

This exciting project runs between August and November 2019
