

## Help us build for current and future generations

For more than 60 years Rotary OCH has been working in our local community

Our members undertake worthwhile and sustainable projects locally, nationally and overseas

Our funds and services are equally distributed and shared

Our members enjoy meaningful engagement that allows them to explore opportunities to build friendships and relationships

Our members are proud to be volunteers in the local community and enjoy the opportunity to “give back”

We are energetic and fun-loving with a desire to continue to grow.

We are asking for you to join us to help build our Club for current and future generations.

Find out how we can build a strong Rotary Club together to continue our work.

## The Oakleigh Rotary Sunday Market

### Every Sunday cnr Atherton Rd & Hanover St

The Oakleigh Rotary Sunday Market started more than 30 years ago and is the major Fund-raiser of Rotary OCH.

It has evolved into a thriving and well-loved local event that brings the community together every Sunday morning.

Visitors can find a range of preloved goods, vintage items, books, records, gardening equipment and tools, as well as a variety of produce, including fruit, vegetables and fresh flowers.

About 160 stalls now operate in the peak months, with 140 stalls regularly operating throughout the year.

It is very much a community meeting place each Sunday morning.

People look forward to the market to shop, have a coffee and a chat.

The stall holders love the ambience and the local traders agree that the market brings more people to the area for shopping and services.
